## **Family Health Centers Non-Discrimination Policy**

Family Health Centers Inc. is committed to providing an inclusive and welcoming environment for all persons needing its services. Consistent with this principle and applicable laws, it is therefore Family Health Centers' policy not to discriminate in offering access to its health care and related services on the basis of race, color, gender, national origin, age, religion, familial status, marital status, partnership status, creed, disability, sexual orientation, gender identity, or veteran's status.
