

**Family Health Centers, Inc.**  
**Sliding Fee Scale**  
**Annual Income Level**  
**Effective February 1, 2020**

Family Health Centers, Inc. sliding fee scale is used to determine the discount a patient will receive on their total charges for services. Patients are expected at the time of their visit to pay either the nominal fee (Class A patients) or a minimum fee (Class B through Class F). The minimum fee varies and you will be billed for the remainder of the total charges for services – minus your discount.
