

# COVID-19 TEST RESULTS

Family Health Centers and Bluewater Diagnostic Laboratory are partners in your COVID-19 test. Family Health Centers is the provider of record.

When your test results are ready, you will receive a text message from Bluewater Diagnostic Laboratory. Click the link in the text message, enter the code that is sent to your phone and your lab report will appear. The lab report can be given to your work place, school, or for travel.

## NEGATIVE RESULTS

No signs of COVID-19 virus at the time of testing

If the COVID-19 test is negative, you will only receive the notification from Bluewater Diagnostics with your lab results.

## POSITIVE RESULTS

Yes, signs of COVID-19 virus at the time of testing

If the COVID-19 test results are positive you will receive a phone call from a Family Health Centers nurse to discuss your results. You will need to stay home. The Louisville Metro Health Department will also call you to check on how you are doing.

## HOW LONG FOR RESULTS?

You can expect your test results in 2 to 5 days. It may take longer if there is a backlog of tests. If you haven't received your results after 8 days, call 502-772-8479.

## QUESTIONS?

If you have questions about your test results, please contact your primary care provider (PCP). If you need a PCP, call 502-774-8631 to schedule an appointment with Family Health Centers. Other questions, call the Louisville Covid-19 Helpline: 502-912-8598.
