

Family Health Centers

Beginning in March, most people with Medicaid health insurance will need to reapply and show proof, that they still qualify. This means providing information on your income, household size, and your residency in the state of Kentucky.

Medicaid Plans: Passport, Aetna, Anthem, Humana, Wellcare, and United Healthcare.

Scan the QR code to make an appointment online.

1

Make sure your address is correct with the Department of Medicaid Services (DMS).

2

When you get your letter from DMS, it is time to recertify.

3

Make an appointment with a Family Health Centers kynector to help you through the process!
